You will see the screen pictured below once you have navigated to the Church's portal. You will then be able to follow the steps listed in Option 1.

The screenshot shows the TITHE.LY online giving interface for The Church of the Open Door, Brooklyn, NY 11201. The interface is displayed on a mobile device with a green header and footer. The main content area is white with a light gray border. At the top right, there is a "Login / Sign Up" link. The church name and address are prominently displayed. Below this, there are input fields for "Amount" (with an example of "Ex: 100") and "Give to:" (with a dropdown menu set to "Tithe"). There are also fields for "Card number" and "MM / YY CVC". Further down, there are fields for "Email", "First Name", and "Last Name". A "Member ID #" field is also present. A "Note / memo (optional)" field is located below the Member ID field. At the bottom, there are two toggle switches: "Cover fees?" (which is currently turned off) and "Setup automated giving?" (which is also turned off). A "Remember me" checkbox is visible at the very bottom left. The footer contains two buttons: "Credit/Debit" and "Bank Account".

We strongly suggest that you utilize the bank account option because of the reduced cost per transaction.

You will also see an option to Cover Fees? If you turn this button to the ON position (shown below) it will ensure that the amount that you put into the giving categories will be exactly what the church receives. The fees will be added to your account or credit card. You can also send Tithes, Offerings and other gifts at one time by adding the gift to the first category and then selecting ADD GIFT and choosing a different GIVE TO category and amount.

Below is an example of the fees related to usage.
