The text 'Grateful to God' is written in a black, elegant script font, with 'Grateful' on the top line, 'to' in the middle, and 'God' on the bottom line. The wheat stalks are partially behind the text.

**SCRIPTURE**  
**JOHN 1:1-12 (RSV)**

**1** In the beginning was the Word, and the Word was with God, and the Word was God. **2** He was in the beginning with God; **3** all things were made through him, and without him was not anything made that was made. **4** In him was life, and the life was the light of men. **5** The light shines in the darkness, and the darkness has not overcome it. **6** There was a man sent from God, whose name was John. **7** He came for testimony, to bear witness to the light, that all might believe through him. **8** He was not the light, but came to bear witness to the light. **9** The true light that enlightens every man was coming into the world. **10** He was in the world, and the world was made through him, yet the world knew him not. **11** He came to his own home, and his own people received him not. **12** But to all who received him, who believed in his name, he gave power to become children of God;
